Модели растяжек, представленные в данном разделе, изготавливаются без изменения в составе материалов.

Растяжка может заказываться либо полными полосами (от 1 до 7 матрицы) либо частично (пример 1-4).

При заказе растяжки, необходимо предоставить информацию о высоте и длине отделяемой поверхности.

Возможно изготовление индивидуальных растяжек по заказу Клиента. Ограничение по количеству цветов и плавности перехода оттенка практически не существует. Индивидуальная растяжка изготавливается после создания и утверждения индивидуальной модели растяжки на любую высоту и длину поверхности.
